

## *Be a Sponsor of the Fair!*

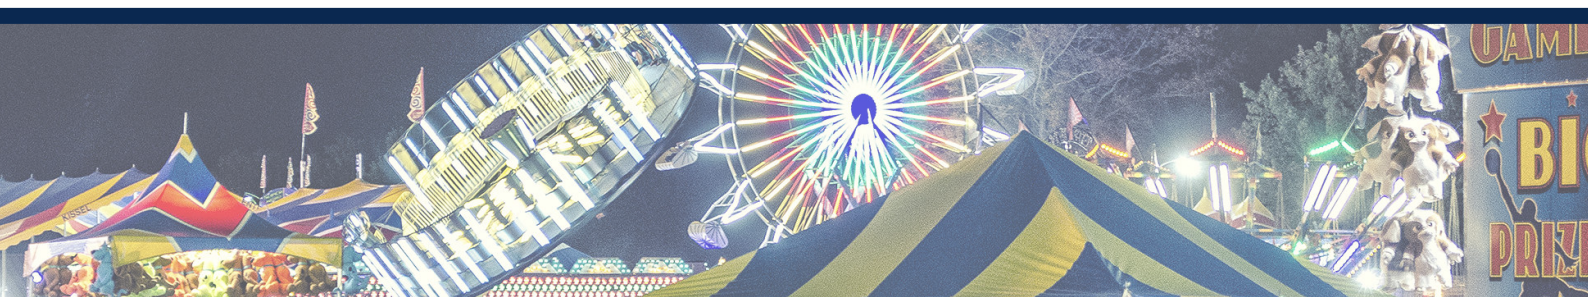

The 2022 Maury County Fair is right around the corner and you will not want to miss this opportunity to be a part of history! The fair has been a successful attraction for the county going on 81 years, and will continue to be for many years to come with the support of the community. The Maury County Fair has provided our community with the opportunity to display the products of their efforts; with their fine craftsmanship, quality livestock, great food, and entertainment.

As a nonprofit 501(c)(3) organization; The Maury County Fair will always focus its efforts on benefiting the local community by promoting family entertainment, agricultural awareness, encourage community involvement, and support nonprofit organizations within Maury County. As a Fair Sponsor, you become a supporting partner in strengthening and celebrating our community as a whole. If you would like additional information concerning this request or participating in any other way with the Maury County Fair, we would be happy to talk with you about our available opportunities.
